i. Respond to incidents of security threats and misconduct. Request Military Police support when required.

j. Meet with Assistant Area Coordinator and Building Coordinators and ensure detailed inspections of common-use areas are conducted at least monthly. Assistant Area Coordinators will inspect the areas monthly, spot-checking to validate accuracy/quality of Building Coordinators' weekly reports. The checklist provided in **APPENDIX 1 TO CHAPTER 2** should be used for this purpose. A copy of the checklist should be provided to the Building Coordinator and one copy retained on file.

k. Ensure that Stairwell Coordinators and alternates are appointed as required by this directive. The authority to make these appointments also includes the authority to provide input for evaluation reports of the appointed individuals.

l. Promote the community Separate or Recycle Trash (SORT) Program (**CHAPTER 10**).

The Assistant Area Coordinators will also be issued a key permitting them to obtain gas from a military gas station for use in the government-owned lawn maintenance equipment.

3. Assistant Area Coordinators will ensure that the Housing Area Chain of Command signs are up to date with the current photos and contact information, and that the names of the Housing Area Chain of Command are prominently posted in each stairwell. Any and all changes to the Chain of Command, such as new appointments, will be posted immediately to the Housing Area Chain of Command signs and to the Chain of Command displayed in the stairwell bulletin board. Format at **APPENDIX 3 TO CHAPTER 1** will be utilized for latter purpose.

CHAPTER 2 (continued)

4. Area Coordinators or the Assistant Area Coordinator will hold meetings as outlined in **CHAPTER 6** and will attend quarterly Town Hall meetings and monthly Community Mayoral meetings as outlined in **CHAPTER 6**.
5. Area Coordinators or Assistant Area Coordinators will counsel Building Coordinators at least quarterly on performance of neighborhood duties. A checklist to guide this counseling is at **APPENDIX 1 TO CHAPTER 2**.

CHAPTER 3

BUILDING COORDINATOR RESPONSIBILITIES

1. Building Coordinators are responsible to the Area Coordinator and Assistant Area Coordinator for the performance of all assigned duties. The Building Coordinator may delegate specific duties to Stairwell Coordinators to include during long-term deployments of the building coordinator.

A sample appointment memorandum for stairwell coordinators and alternate building coordinators is provided at **APPENDIX 3 to CHAPTER 3.**
 - d. Counsel Stairwell Coordinators at least quarterly. Use the checklist at **APPENDIX 1 TO CHAPTER 2** for this requirement. Excellent or consistently substandard performance will be raised to the Assistant Area Coordinator for action. The Assistant Area Coordinator then counsels the Service member and, in coordination with the Area Coordinator, takes appropriate action in a manner identical to procedures identified in **CHAPTER 2**, paragraph 6 for Build Coordinator counseling.
 - e. Counsel newly assigned residents within three days of their assignment to quarters regarding their responsibilities as residents, pursuant to this directive. Counsel Stairwell Coordinators quarterly regarding their responsibilities, as outlined in this directive.

CHAPTER 3 (continued)

f. Conduct bi-weekly inspections of common-use areas, laundry rooms, playrooms, unfinished attics, and storage rooms to help eliminate fire, health and safety hazards, avoiding the build-up of trash and combustible materials in common-use areas. Paint and other combustible materials will not be stored within the building. Building Coordinators will ensure that all windows in unfinished attic areas are kept closed at all times to prevent birds from entering and nesting in these areas. Consult the DPW Fire Department and the USAG Mannheim Safety Office for more hazard information. Building Coordinators will use checklists at **APPENDIX 4 TO CHAPTER 3** in accomplishing required inspections. The first week of each month, the Building Coordinator will forward a copy of all completed checklists in conjunction with the monthly report specified in paragraph 3g below to the Assistant Area Coordinator.

g. Prepare inspection reports as required by this directive and/or as directed by the Area Coordinator or Assistant Area Coordinator.

j. Execute duties as Accountable Officer and hand-receipt holder for government-furnished garden tools. Building Coordinators will be provided the following minimum number of items from the Expanded Self-Help Store (dependent upon availability of funds):

<u>ITEM</u>	<u>QUANTITY</u>
Broom, Push Type	2
Broom, Straw	2
Dust Pan	2
Garden Hoe	2
Lawn Rake	2
Shovel, Snow Removal	1
Grass Cutting Shear	1

CHAPTER 3 (continued)

(Note: Building Coordinators should contact the DPW Expanded Self-Help Store, Building 374, Taylor Barracks, for issue and/or replacement of these items.)

k. Power lawn mowers are available in each area. These items are under the control and supervision of the Assistant Area Coordinator. Access to power lawn mowers must be coordinated with the Assistant Area Coordinator.

l. Coordinate common activities to include preservation of the building and landscaping, fire prevention (monthly), enforcement of the community beautification program and conservation of utilities within the area of responsibility.

m. Report maintenance deficiencies in common-use areas in Benjamin Franklin Village to the maintenance contractors Work Order Section (civilian 0621-730-2074 or DSN 385-2074). The residents will correct deficiencies in the police of the area.

n. Report any unauthorized personnel who are found in spare rooms or quarters to the Assistant Area Coordinator and the Housing Manager. Provide as much information as possible when reporting unauthorized personnel. Residents should report discoveries of vagrants to the Community Provost Marshal.

o. Control keys and usage of common-use rooms. Building Coordinators will receive keys to common-use storage rooms, stairwell exit doors, etc., from the Facilities Branch, Housing Division, room 305, building 255, Sullivan Barracks. Departing Building Coordinators will return all keys to the Facilities Branch, Housing Office. Entry into electrical and mechanical rooms is prohibited and doors to these rooms are to be locked at all times. In the event of an emergency or to report unusual noise from these rooms, contact the Government Quarters Work Order desk (see applicable phone numbers on inside of front cover).

p. The Building Coordinator controls all common-use storage rooms in attics and basements (except laundry rooms, unfinished attics, etc.). These may be used as additional storage rooms for individual residents, party rooms, etc. Building Coordinators will submit written request to use rooms for other purposes to the Assistant Area Coordinator. The Assistant Area Coordinator will review and make a recommendation for final action to the Housing Manager. Requests to the Assistant Area Coordinator will contain at least the following information:

- (1) Address (street, building and stairwell number and location).
- (2) Proposed use of the room (i.e., party room, meeting room, other).

CHAPTER 3 (continued)

(3) Appliances/furniture (describe all electrical appliances and wall-mounted furnishings and show planned location and state whether privately owned).

(4) Proposed maintenance/cleaning schedule.

q. The Building Coordinator will either coordinate a roster for common-use area cleaning and grounds maintenance or collect a fee from residents and complete a private contract for the completion of these responsibilities. Coordinate the cleaning and maintenance requirements with the Stairwell Coordinators. Minimum areas to clean/maintain are:

(1) Exterior Premises: Concrete sidewalks, outside steps, building entrances, rear and side basement steps, parking lots and dumpster areas will be swept weekly. Lawns will be mowed regularly to enhance the appearance of the area. Building Coordinators are responsible for maintaining grounds within a distance of 50 feet from their assigned building, or halfway to the next family housing building, whichever is less. Outside glazed surfaces of stairwells will be cleaned weekly. In winter, sidewalks will be shoveled and a minimum sanding/salting done to avoid ice accumulation. In areas with enclosed trash dumpsters (Columbus Street) building coordinator will ensure that snow is removed from the aisles between the trash dumpsters to enable trash removal. Unassigned and guest parking places will also be kept free of snow and ice, using shovels and sand/salt mixtures.

(2) Building Interiors: Ensure that all common surfaces are swept each workday and wet-mopped weekly, including stairwell railings, door entrances, hallways, stairwell steps, basement floors and attic floors with open access. Building Coordinators will ensure that stone floors/staircases are not waxed. Even non-slip wax products are prohibited for use on stairways and floors in family quarters. Waxing of floors can pose a safety hazard for residents of family quarters.

r. Post laundry and drying room cleaning schedules, including all residents and ensure adherence to the schedule (Building Coordinators may choose not to use schedules if they deem this unnecessary). The Building Coordinator may authorize privately owned furniture (chairs, shelves, etc.) for use in laundry rooms.

s. Enforce the Community Separate or Recycle Trash (SORT) Program and distribute brown paper bags (from Expanded Self Help Store) to residents for grass cuttings/clippings during warm weather. Details of the SORT Program are listed on the DPW web page and in the Family Housing Residents Handbook.

CHAPTER 3 (continued)

t. Enforce the Bulk Trash Pickup Program by ensuring all residents are briefed and fully comply with the rules of the program. Building Coordinators will issue a citation to residents who place bulk trash next to a trash dumpster or place bulk trash on the curb at any time other than Sunday evenings between 1800-2200 hrs. Building Coordinators will be responsible for removing any illegally placed bulk trash within the area of responsibility. Details of the Bulk Trash Pickup Program can be found on the DPW web page and in the Family Housing Resident Handbook.

u. Control Resident POV Parking Allocations:

(1) The Building Coordinator may allocate and designate one parking space per apartment in all government housing areas. Excess spaces may be designated for guest parking at the discretion of the Building Coordinator and with the concurrence of the Assistant Area Coordinator. Housing residents and their guests are prohibited from parking in spaces designated for other housing residents or designated as guest parking spaces without the permission of the resident to whom the space is assigned or the Building Coordinator. If an unauthorized vehicle is parked in a resident's spot, the Building Coordinator should issue a citation to the violator with a copy sent to the Housing Office.

(2) Parking of unregistered and non-operational vehicles in government housing areas is strictly prohibited. Such vehicles will be parked in areas that the Installation Coordinator of the owner's duty installation designates. Building Coordinators will immediately report all unregistered or abandoned privately owned vehicles to the Assistant Area Coordinator for appropriate action.

(3) Privately owned vehicles will not be parked within seven feet of trash dumpster containers or in any manner that will interfere with DPW or contractor operated equipment having access to empty the containers.

(4) Parking or driving on the grass (lawn areas) is forbidden.

(5) Residents are not permitted to start their automobile engine and let it idle to warm up. This is a violation of German environmental laws and violators are subject to substantial fines.

(6) Trailers, camping trailers and/or other recreational vehicles are to be parked in an area designated by the Installation Coordinator.

v. Building Coordinators will receive and resolve complaints and problems. The following process will be used in the resolution of complaints/disputes:

CHAPTER 3 (continued)

(1) Sponsors with a complaint will first examine all relevant directives for the solution.

(2) If necessary, sponsors will then submit complaints in writing to the Stairwell Coordinator with all details necessary for resolution. Unresolved problems will then go to the Building Coordinator for action.

(3) Continuing or unresolved problems will be submitted in writing with full details to the Assistant Area Coordinator for action.

(4) Complaints still not resolved will be referred to the Area Coordinator. Complaints presented to the Area Coordinator will be initiated by the complainant's sponsor, endorsed by each official in the Housing Area Chain of Command and will contain recommendations for corrective action. The Area Coordinator may take appropriate action in the form of involvement of the chain of command, letter of admonishment, housing citation or other action that is deemed appropriate.

(5) Complaints not resolved within the Housing Area Chain of Command will be referred to the Commander, USAG Mannheim, for appropriate action. When referred to the USAG Mannheim Commander, documentation will be provided concerning actions undertaken to resolve the situation.

(Note: Complaints based on unsanitary or other unsatisfactory conditions in family housing units beyond resolution by the Housing Area Chain of Command will be reported in writing to the Commander, USAG Mannheim, along with all available information. The Commander, USAG Mannheim, will direct the sponsor's Unit Commander to inspect the quarters with representatives of the Preventive Medicine Service and the Housing Office, as appropriate.)

CHAPTER 4

STAIRWELL COORDINATOR RESPONSIBILITIES

1. Stairwell Coordinators will assist the Building Coordinator in performing all Building Coordinator responsibilities and duties reflected in **CHAPTER 3**. The Stairwell Coordinator will typically be the senior resident of the stairwell. The tenure of the Stairwell Coordinator will be indefinite or until departure from the community, reassignment to another family housing unit in another building or stairwell, or until properly relieved by the Building Coordinator.
2. The Building Coordinator will appoint Stairwell Coordinators and alternates in writing. A current roster of all Stairwell Coordinators will be maintained by the Building Coordinator and provided to the Assistant Area Coordinator.

CHAPTER 5

MISCONDUCT IN FAMILY HOUSING

1. The community leadership and the Housing Area Chain of Command exercise control over housing residents. Residents are required to cooperate with the Housing Area Chain of Command to ensure good order and to solve problems at the lowest level possible. Cooperation with the Housing Area Chain of Command will preclude unnecessary involvement of the Military Police, potentially leading to avoidable administrative or legal action against sponsors, family members or guests.
2. The Housing Area Chain of Command should solve routine and minor discipline problems, including but not limited to, the following:
 - a. Minor breach of the peace (e.g., excessive noise).
 - b. Littering.
 - c. Minor vandalism (less than \$300) to Government property (All vandalism should be reported to the Housing Division).
 - d. Parking disputes.
 - e. Fighting among children.
 - f. Minor disputes between neighbors.
 - g. SORT/Recycling violations.
 - h. Minor infractions of this directive.
 - i. Failure to properly care for/clean Government quarters common-use areas.
 - j. Failure to cooperate with the Housing Area Chain of Command.
3. The Housing Area Chain of Command should immediately refer the below listed types of problems (the list is not intended to be all inclusive) to the Military Police:
 - a. Assaults.
 - b. Domestic disturbances.

CHAPTER 5 (continued)

- c. Damage or personal injury caused by pets.
 - d. Interactions with seriously intoxicated persons.
 - e. Other incidents believed to require trained professionals and/or involve the possibility of physical confrontation.
 - f. Vandalism to personal property. Residents in quarters may, in some cases, be entitled to file a claim for vandalism damage to their personal property. Claims procedures require claimants to submit a copy of a Military Police report to substantiate their claims. For this reason, the Military Police should be notified in all cases of vandalism to personal property in order to properly document the incident and to ensure that the claimant's interests are protected.
4. Problem resolution for those items listed in paragraph 2 above and problems of similar magnitude should generally follow the steps outlined below:
- a. Discussion by affected Stairwell Coordinator(s) with those involved in order to achieve voluntary cooperation/resolution.
 - b. Unresolved problems should be immediately brought to the attention of the Building and Assistant Area Coordinators, as necessary. Situations presented to the Building or Assistant Area Coordinator will be submitted in writing along with an evaluation by the Stairwell Coordinator concerning the incident and recommendations for resolution. Assistant Area/Building Coordinators should issue a Housing Citation (**APPENDIX 1 to CHAPTER 3**) to the offender and counsel him/her regarding the deficiencies.
 - c. Assistant Area Coordinators will forward still unresolved problems, particularly difficult and/or sensitive problems, to the Area Coordinator. A copy of the correspondence will also be provided to the Housing Manager. Likewise, incidents involving repeat offenders should be handled in the same procedure.
 - d. Area Coordinators will seek to resolve the situation through communication with the command of the sponsor(s) involved. If satisfactory resolution is not obtained, the matter should be referred to the Commander, USAG Mannheim, for appropriate action.
5. Using the problem resolution steps outlined above, the following remedies are available:
- a. Counseling by the Housing Area Chain of Command: Many problems need only an unbiased party to mediate disputes.

CHAPTER 5 (continued)

b. Clear-cut violations of regulation, policy or this directive: Any responsible official in the Housing Area Chain of Command may direct compliance.

c. Issuance of a Housing Citation by the Assistant Area or Building Coordinator.

d. For soldiers, punitive action under the Uniform Code of Military Justice (UCMJ).
Additionally, **SPONSORS MAY BE HELD FINANCIALLY LIABLE FOR THE TOTAL AMOUNT OF ANY DAMAGES TO GOVERNMENT PROPERTY CAUSED BY THEIR ACTIONS, OR THE ACTIONS OF THEIR FAMILY MEMBERS OR GUESTS.**

e. Administrative action may be taken under the provisions of AR 210-50, USAREUR Regulation 210-50, USAREUR Regulation 27-9 (covers family members) and this directive. Sponsors or their family members may be subject to each of the following or any combination thereof:

- (1) Letter of Warning
- (2) Letter of Reprimand
- (3) Letter of Admonishment
- (4) Involuntary Quarters Termination (Eviction)
- (5) Termination of Individual Logistical Support
- (6) Early Return of Family Members to CONUS
- (7) Curtailment of Military Sponsor Tour
- (8) Denial of Individual Logistical Support on any subsequent return to USAREUR.

(NOTE: Items e (1) and (2), above, may be issued by Commanders of the sponsors involved. Items e (3) through (7) are complex actions that may require communication with DPW, DOL, SJA, and require the approval of the USAG Mannheim Commander. Item e (5), Early Return of Family/ Members to CONUS, may be requested by either the sponsor, the sponsor's Chain of Command and approved by the USAG Mannheim Commander.)

CHAPTER 6

AREA MEETINGS

1. Neighborhood meetings must be held to keep neighborhood programs coordinated, pass on critical information and surface problems that may require the assistance of the community staff to resolve.

2. Meeting frequency varies with the level of authority. The following meetings should be held at a minimum:

a. Building Coordinators will host monthly meetings. Attendance will be mandatory for Stairwell Coordinators and optional, but encouraged, for residents.

b. Assistant Area Coordinators will receive written reports of Building Coordinator monthly meetings and will host their meetings quarterly. Attendance will be mandatory for Building Coordinators and Stairwell Coordinators.

c. Quarterly (in the months of Feb, May, Aug & Nov) the USAG Mannheim Commander will host Town Hall Meetings that will be open for attendance by family housing residents in all housing areas. The, Area Coordinators, Assistant Area Coordinators, Building Coordinators, Mayors and community staff representatives (DPW, DOL, CPM, DCA, and others as required) will also attend the quarterly Town Hall Meetings.

3. Attendance at the quarterly Town Hall Meeting is **mandatory** for the Area Coordinator, Assistant Area Coordinator and all Building Coordinators. All housing residents are encouraged to attend.

CHAPTER 8

WELCOME WAGON

1. The Welcome Wagon Program is designed to welcome new residents to the building, inform them of housing area responsibilities and provide a rapid means to “get acquainted” with neighbors. Responsibilities include:
